

Save Time and Money! Shipping Services Available

Cenaiko Expo Inc. is proud to offer you a helpful and economical service. Cenaiko Expo has teamed up with Koch Logistics to provide shipping for your booth materials from show to show.

All you need to do is pack up your booth onto a standard sized pallet(s). We will then shrink-wrap & pick up your materials from your booth, store it **and deliver it to your booth at your next show**. Example: St. Paul Sportsmen's Show to St. Cloud Sportsmen's (or a non-Cenaiko Production). This will eliminate the need for you to drive your truck, pull a trailer and wait in line to load/unload your display.

Cenaiko Expo and Koch Logistics offers this service for one flat rate per pallet, per show! The price will vary from show to show based on distance.

If you are interested in this service, please call 763-755-8111 for a price quote.

For scheduling and dispatch, contact Koch Logistics at 800-331-9412 during normal business hours and chose option 1 for domestic service and then option 2 for LTL services. A 24 hour notice for sceduling is greatly appreciated.

Thank you
